We recently had our daughter's wedding reception onboard the steamboat SPLASH. It was a beautiful evening on the river, the fireworks were great, and the SPLASH crew was professional and friendly. It was a magical evening for the new couple and for all of us. Thank you SPLASH crew!

Thanks again to the SPLASH Crew. This is a definite RERUN!

Really enjoyed last night and so did my clients. It was a beautiful evening with catered dinner on the bow deck and a ghost storyteller on the upper deck. See you next year!
